### Notes to the Parker Knoll Covers Price List

#### Note

- 1 PK 1127, PK1128 and PK 1129 Columbine Suite.  
Parker Knoll have manufactured this suite in two different versions - one with removable arm cushions, and one with fixed arm cushions. Lynplan covers are available for both versions but the covers are different.  
When placing your order, please ensure you inform us which type of arm cushion you have on your suite so that the correct covers for your model are supplied.  
Replacement Interiors are available at £55.00 /pair for the Removeable Arm Version only.
- 2 PK 1102 Burlington Wing Recliner.  
Please note that Lynplan Covers are not recommended for this model if the original upholstery on the chair is Dralon or any other velvet pile type of fabric.  
If your original upholstery is Dralon or a Pile fabric, we can offer a Fixed Cover or Complete Re-Upholstery. For details of these services please contact the Sales Office.
- 3 PK 1140 Hartley Wing Chair  
There are two versions of this model - one with a seat cushion three inches thick (7.5 Cms) and one three and a half inches thick (9 Cms). Please measure your seat cushion and indicate on your order form which version you have.
- 4 Fireside Chairs with filled in sides  
The arm panels for these models are covered with shaped panels of fabric. These are attached to the rest of the cover where the arm meets the back. The remainder of the panel has to be attached to the chair using small notched pins. Alternatively for best results these panels should be slip-stitched by hand round the top and front edges of the fabric to the original upholstery covering.
- 5 N91 Low back corner unit and N92 High back corner unit  
These have been produced in two versions. The early edition has Two back cushions and the later version has Three back cushions. Please state clearly on the order form which version is required.
- 6 PK 1230 to 1235 Verona recliners.  
There are two versions of these models. Earlier models have a thinner leg rest (lower than the level of the seat & foot rest). Newer versions have a thicker leg rest which is level with the seat and foot rest. Please let us know which version you have.
- 7 PK 1301 to 1303 & PK 1431 & PK 1433  
Models with fringe. The Lynplan cover for these models has a valance and no fringe.
- 8 Kingston Range  
The back of the cover is made in one piece, not in three sections as the furniture underneath.  
PK 1452 & 1462: on these models all the 'show wood' around the arms is covered by the tailored Cover, only the wooden knuckles will be left exposed.  
Large chairs back height is 42.5".  
Small chairs back height is 39".
- 9 Henley Recliner  
The Cover for this model is quite complex and requires two people to fit.  
We need to know the measurement from the bottom of handle to top of valance line, this should measure none or 1", and also the measurement of the seat from front to back.
- 10 Ingram Stool PK 1106  
Please indicate whether the stool lid is held open by a spring each side, or one supporting stay only.

# Arm Cuff, Protective Head Caps, Scatter Cushion & Stools Price List

Dust settling on chair covers, combined with the natural oil from the hands, causes rapid soiling of the fabric particularly on the arms of the chair. Regular vacuum cleaning can help prevent this. However these areas do receive very hard wear and it is worthwhile purchasing Arm Cuffs and Head Caps which can be easily removed, and washed or dry cleaned separately.

Protective Arm Cuffs and Head Caps are Tailored to fit each Model. It is therefore important when ordering to quote the correct Model Number or Name of the furniture.

To find the Price, simply locate the Price Group Letter of the Arm Cuffs or Head Caps you require in the two right hand columns of the attached Lynplan Covers Price List. These Price Group Letters correspond to the price groups in the left hand column below.

Illustrated are some of the different types of Arm Cuffs and Head Caps available.

FULL ARM CUFFS for chairs and settees (i.e. covering the whole top of the arm) and HEAD CAPS for Settees are available for a limited number of models. Please contact the Sales Office for a quotation.

Please note: Arm Cuffs and Head Caps are **not** available for **Ercol** furniture.

# Replacement Seat & Back Cushion Interior for Parker Knoll Furniture

Replacement Interiors for Seat and Back Cushions can transform your Chairs or Settees both in appearance and comfort. It is however, essential that the replacements match the dimensions of the original interiors. They must be shaped correctly, and if necessary, domed. They must also have the right density of foam to give correct posture support. It is therefore important when ordering to quote the Manufacturer's Number or Name of the furniture for which they are required.

## Interiors ordered with Covers

When Cushion Interiors are ordered with Covers, the covers will be fitted onto the interiors. If the cushions are buttoned, we will also DEEP BUTTON the cushion for you. If you do not want the Covers fitted or buttoned (if appropriate) please note this on the order form.

- \* **Please note: An Asterisk on the Cover Price List indicates a settee replacement cushion, Interiors for these are only available in sets of Two, Three or Four according to the model.**

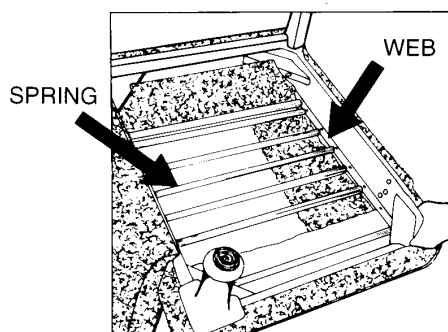

All Lynplan Cushion Interiors are fabricated from Combustion Modified Foam which gives a significant increase in the safety of your furniture when used to replace old style Polyether foams.

Prices include VAT

Replacement Underseat Webs and Springs are available for most Parker Knoll models at £55.15 (inc VAT) for each chair set. Full fitting instructions are included. POST FREE if ordered with Lynplan Covers, or if ordered separately, please add £4.50 for Postage and Packing.

## LOOP BACK BUTTONING

## Pattern Matching:

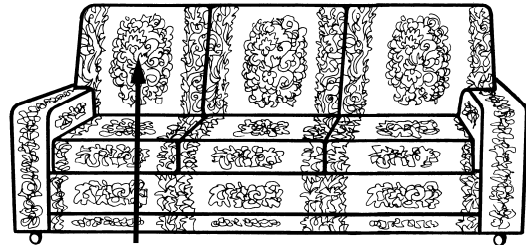

The illustrations show how different types of fabrics are cut for your furniture. If you require any fabric to be treated in an alternative way to that stated, please contact our sales office for a quotation.

*Please Note: patterns are always matched across seams on settees on outside backs and front lips etc.*

### Matched Fabric Pattern

*Each pattern element appears in the same place on the relevant pieces. (Note how this differs from a centralised pattern).*

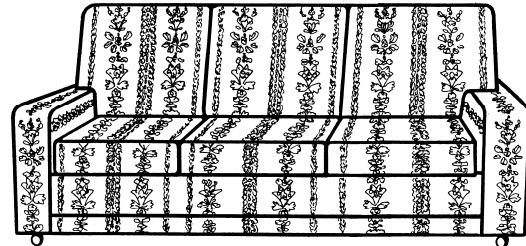

### Centralised Fabric Pattern

*A dominant element in the design such as a flower or bouquet is centralised on each relevant piece of the furniture.*

### Random Fabric Pattern

*Where the elements of the pattern have equal 'weight' in the design, the pieces are cut at random.*

### Vertical Fabric Pattern

*Where the design has a strong vertical element such as a stripe, this is continued from the back, down the seat, front border and front lip.*

+ Pile & Chenille Fabrics. The characteristics of this type of cloth sometimes cause it to mark and crease in normal everyday use. However, these marks will disappear if lightly brushed in the direction of the pile and left in a warm atmosphere for a short time. If the atmosphere of your room is dry (because of double glazing) the fabric may take longer to recover.

# Pimlico Fabric - please note this fabric is not suitable for covers with valances.

**All fabrics are match resistant and conform to the Furniture and Furnishings (Fire) (Safety) Regulations for Loose/Tailored Covers and Upholstery.**

Fabric width: Minimum of 135Cms (53").

The labels on the fabric samples are attached to the back of the fabric.
